The director of this super-colossal production is Mr. Gifford. With his assistant directors, Mr. Jackson and Mr. Lynch, he has been responsible for many a smash hit. After screen tests are ably given by Miss Hoar, the tedious job of part casting is left up to the counselors. The faculty takes charge of the daily rehearsals and the big show in June. The office staff, acting as choreographers, arrange and announce rehearsal changes and assist the directors with their work.

Next on the list of credits for the production of Technivision are the directors -- the members of the faculty.

A production can only be as good as its directors make it, and we have the best. The rehearsals did have their ups and downs; however, thanks to the devoted and tireless effort of our teachers, the ups greatly outnumbered the downs and our production was a huge success.

Following in the Tech tradition, Technivision walked off with top honors in almost every field involved in such a production. This would have been impossible without the expert guidance that we received.

We, the actors, gratefully turn all the honors over to you, the directors.

Faculty

New Teachers

SEATED, left to right: Miss Murray, Mrs. Jones, Mrs. Poulin, Mrs. Brake, STANDING: Mr. Setian, Mr. Sonski, Mrs. Rheault, Mr. Donati.

This year there have been eleven additions to the Tech faculty. They are Mrs. Mildred Rheault, mathematics; Miss Alice Murray, French; Mrs. Helen Jones, Mr. John Donati and Mr. John Doyle, science; Mr. Lee Revels, boys' auxiliary; Mr. Harry Setian and Mr. Longin Sonski, shop; Miss Mary Rhoades, English; Mrs. Dorothy Brake and Mrs. Leanne Poulin, girls' physical education; and Mr. Howard Burns, boys' physical education.

Mrs. Rheault, a graduate of Trinity College, attended Fitchburg State Teachers College and Springfield College. She formerly taught at Birchland Junior High and Duggan Junior High.

Miss Murray graduated from Our Lady of the Elms College and furthered her education at Springfield College and the School of French at Middlebury College. She previously taught at Buckingham Junior High.

Miss Jones, teacher of physics and biology, graduated from American International College and has studied in the summer at the University of Massachusetts.

Mr. John Donati is a graduate of Syracuse University. He formerly taught at Cortland State Teachers College and Duggan Junior High.

Mr. John Doyle received his Bachelor of Science degree at Mt. Saint Mary's College and his Master's degree at Westfield State Teachers College. He taught for one year at Cathedral High and four years at Forest Park Junior High.

Mr. Revels is a graduate of West Virginia State Teachers College. Previously, he taught for two years at Munson State Hospital in Palmer.

Mr. Setian is a graduate of Fitchburg and Westfield State Teachers College. He previously taught at Palmer High School.

Mr. Sonski is a graduate of Teachers' College of Connecticut in New Britain. He has taught at Murtle Street School and Duggan Junior High.

Miss Rhoades is a graduate of State Teachers College in North Adams and Middlebury College. Before coming to Tech, she had worked for sixteen years in the West Springfield Schools.

Mrs. Brake, a graduate of Michigan State University, taught at Guam for two years before coming to Tech.

Mrs. Poulin, a graduate of Springfield College, is teaching for the first time.

Mr. Burns attended University of Massachusetts and did graduate work at the University of Illinois. He taught at Classical Junior High before being transferred to Tech.

Retiring Teacher

Mr. Howard F. Reed

Last October, Mr. Howard F. Reed brought to a close a long and highly successful career in education. His retirement marked the completion of forty-four years of teaching, thirty-eight of which were spent in Tech's machine shop.

Mr. Reed, after having graduated from Mechanic Arts High School in Boston, continued his education at Wentworth Technological Institute. He then served an apprenticeship at Blanchard Machine Company.

Before coming to Tech, Mr. Reed served as an instructor in tool grinding at Massachusetts Institute of Technology. With the advent of World War I, his teaching abilities were put to use in M.I.T.'s School of Military Aeronautics.

When Mr. Reed came to Tech in 1923, the school was headed by Mr. Charles "Pop" Warner. Mr. Reed served faithfully under him and under every succeeding Tech principal.

Because of his many interests and activities, Mr. Reed will not be idle during his retirement. He hopes to return occasionally to teaching, as a substitute, and to devote much time to his hobby, photography.

We at Tech, both students and faculty, miss Mr. Reed and give him our deepest thanks for his years of service. We wish him happiness in the years to come.

The stars of this 1962 Tech spectacular are the seniors. We first flashed across the screen in the fall of 1959 as a group of frightened freshmen. We didn't know what to expect but soon became part of the spirited Tech organization.

In 1960 we veterans returned as Juniors. We fought hard, improving ourselves schoolastically with three of our members becoming National Merit Semi-Finalists.

In 1961 we returned more spirited than ever, proving our worth by winning the S.A. membership drive.

As the first few weeks of June are drawing near, we seniors have reached our high school zenith, graduation. After that, the class of '62 becomes history; our mark on Tech High will remain forever. We salute you, Class of 1962.

Seniors

Margaret Wingard

David Frank Nicoli

The Charles F. Warner Achievement Medal is awarded each year to the Senior boy and girl who exemplify the highest attainments in school citizenship, service, and scholarship.

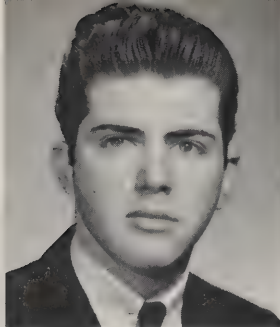

Margaret Wingard, daughter of Mr. and Mrs. Malcolm K. Wingard of 31 Dresden Street, is one of the winners. Margaret ranks thirty-second in scholarship in her class, and has been very active in school affairs, particularly in Tech's music program. She has been a member of the National Honor Society and the Tech News staff for two years, as well as a leader in committee work for her class.

Tech salutes you, Margaret!

Warner Achievement

David F. Nicoli, son of Mr. and Mrs. Frank Nicoli of 137 Whittum Avenue, is the second winner. Dave tops his class scholastically, and has won many honors for his school and himself in science and math competition. With all of this, he has found time to creditably fulfill the responsibilities of editor-in-chief of Tech Tiger, vice president and three-year member of the Red Cross Council, three-year member of the Inter-high Red Cross Council, and three-year member and treasurer of the Radio Club.

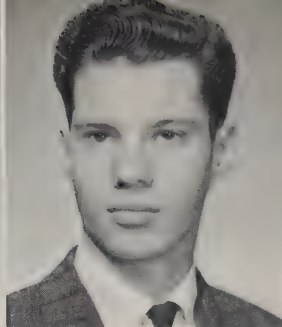

Tech salutes you, Dave!

The Class of 1962, being of weakened mind and beaten body, hereby bequeath to the underclassmen for whom we have blazed the trail the intellectual matches with which to set the world on fire.

Bernie Sullivan leaves one room full of sun worth \$50 a day in Florida to Miss Reardon.

Barbara Pouliot leaves a tardy pass to the next boy or girl who can't seem to get to class on time.

Don Palmer leaves his sales promotion schemes for raising class funds to the next president of the senior class.

Linda Oberlander leaves lots of luck to the next lucky majorette with a small head to fit her extra large hat.

Vic Kaylarian leaves his enthusiasm and dedication to Red Cross to all newly elected class representatives.

Skippy Parent and Karen Schlosser leave the dark corners in the Old Library to the next couple interested in American Problems.

Ken Scribner leaves his frequent office visits to those who have never been called.

Maureen O'Malley leaves "O'Malley's Sand Bank" to Mr. Jackowski for future use in his consumer's math classes.

Norm Burt and Bill Smith leave "Happy Harry" Vatousiou a book entitled HOW TO ROW.

Linda Lavery leaves all of the mirrors in the school to all underclassmen who haven't been able to use them for the past few years.

Dave Nicoli leaves his dufflebag for some deserving freshman.

Sheila Flaherty leaves her cat to one of Mr. Curran's aspiring proteges.

Dorothy Hastings leaves the squeaky floor boards on the third floor to any overweight office aide.

Alan Drinan leaves his versatility to Michael Malinowski.

Carole Chandler leaves her milk wagon to anyone who will take it.

Donna Montessi leaves a dilapidated typewriter in the TECH NEWS office to someone with mechanical ability.

Charlie MacMillan leaves Locker #1052, and an egg salad sandwich from his freshman year.

Mike Gentile leaves his maroon Plymouth off the sidewalk and its keys to Miss Hilliker.

Pam Roebuck willingly leaves dance decorating ideas for all future classes.

Dick Klepach leaves his soggy swim suit to anyone who's big enough to wear it.

Tony Dedousis and Bill Peters leave a book entitled HOW TO TEACH PSYCHOLOGY IN A MATH CLASS? to Mr. Bushey.

The girls at table 57 at second lunch leave their table to any junior girls who can keep it clean.

Dina Spadoni leaves peace and quiet to Technical High School.

Francis Teta leaves his photographic skill with this suggestion--look before you shoot.

Judy Chechile and Bill Scott leave their spot in the lunchroom to next year's sweethearts.

The Tech News Staff leaves a set of bar bells to Miss Mary "Muscles" Shea.

Fran Mazza and Marilyn Circosta leave instructions on the art of teaching cartwheels to next year's cheerleading captain.s

John Rivers leaves a mermaid at the bottom of the Boys' Club pool.

Julie Rubino leaves her copy of RETURN OF THE NATIVE to all prospective illusion hunters.

John Moore leaves his place at the bus stop to some deserving junior.

Nancy Brown leaves plenty of pins, needles and various colored threads to those students working on costumes for Tantrums 20.

Tom Nicholson leaves Mr. Sprague a bottle of Vitalis for his 60 seconds workout.

Bonnie Duncan leaves her position as Picture Editor for the Yearbook, reluctantly.

Walt Borys leaves his Webster's Dictionary to a forgetful student in Mrs. Tabackman's next 12C English class.

Miki Mylonakis leaves Mr. Burr in "great" condition for next year's drivers.

Bernie Lovett leaves "Team Talk" column to any junior big enough to back up what he writes or to anyone with a good lawyer.

The dance committee leaves Miss Bartley with an "extra" supply of crepe paper for all emergencies.

Betsy Vester leaves all of her multi-colored bows--not beaus--to Miss Murray.

The bedraggled yearbook staff leaves all their unmet deadlines to next year's staff.

Carol Hansen leaves her all boy Trig. class with a new outlook on life. Right, Mr. Hewitt?

All of "Doc" Candon's English classes leave him with these parting words, "There are now more people in Vermont than cows."

Jim Sternowski leaves his little black book to Ken Gordon for future reference.

Room 308 leave their regrets in saying goodbye to Mr. Dooley.

Nick Curtol leaves Mr. Forgue with all the empty paint cans he has used in his yearly Art classes.

Ed Nye leaves his lucky breaks in "free lancing" to any junior willing to study.

Marge Wingard and Jeff Hayes leave--together.

Class of 1962 leaves its many thanks to the faculty and the Senior Class Advisors, without whose help and guidance we could not have made it.

Our high school days have come to an end. Let's stop for a moment to recall all the memories which we have collected during our three years at Tech.

Remember our freshman year when Jerry Gagliarducci was president and Don Palmer was vice-president? What a combination! Of course, we can't forget Rocco Carabetta as treasurer and Pat Hosley as secretary. Our first dance, May Magic, as we recall, was a smashing success.

Then came our junior year when Jim Sternowski took over as president and Don Palmer remained as vice-president. Pam Roebuck was elected treasurer and Dale Randall, secretary. We all had a wonderful time at our junior dance, Harvest Moon. Our junior

prom, Chanson D'Amour, was just as much fun.

Who will ever forget our senior year when "Hoop" Palmer took over as the big wheel, while Dino Carando filled in as vice-president. Pam and Dale were again elected as treasurer and secretary. We won the S.A. race, and Linda Clapp reigned over the Red Cross Dance, Evergreen Eve. Our first dance of the year, Carousel, started activities off with a bang; our winter semi-formal also proved to be very successful. Of course, we can't forget our wonderful senior prom and banquet, all the fun we had on class day and the event that will remain most outstanding in our memories of our days at Tech, the final event--GRADUATION!!!

Class Council, FIRST ROW, left to right: Dale Randall, Diana Ingram, Cheryl Keevers, Caroline Anton, Susan Sanders; SECOND ROW: Gary Jennison, Ralph Silvers, Wendell Ritchie, Dino Carando, Donald Palmer, Edward Nye.

esting?"

Snaps

In this production the not so insignificant job of supporting actors falls into the capable hands of the Juniors.

Remember how we, as bewildered freshmen, on the expert advice of an upperclassman, found ourselves looking for the fourth floor by way of the elevator or suddenly on our way to the girls' gym when we wanted to go to a biology class on the third floor? After a while such excuses as "I got lost" or "Don't we have first lunch?" didn't work as well as they used to.

Already many of us were lending our talents to the various sports, choruses, and activities.

Our Junior year was even better. During this eventful year forty-one of us attained membership in the National Honor Society, and we had about 75% membership in the S.A. drive. Some of our most pleasant memories are our dances this year, especially our Junior Prom.

Our year as supporting actors is now over, but as seniors we will be the stars of our own show.

Our second wonderful year at Tech has come to a close. As we look back we remember how we, as "frantic freshmen," upset convention by electing a girl to lead our class. Our slate of officers was Diane Nelson, president; Wayne Fisher, vice-president; Kathy O'Sullivan, secretary; and Pat Connor, treasurer. Another pleasant memory is our Freshman dance "April Amour" for which we transposed the boys' gym into an atmosphere of love.

When we became "jivey" juniors we had John Marnelakis as president; Diane Nelson as vice-president; Kathy O'Sullivan as secretary; and Pat Connor as treasurer.

"Misty" our Junior dance was held late in October. The class banner and colors were selected in the latter part of the second semester.

Bringing our second year to a close, we danced to the wonderful music at the junior prom.

Much credit for the success of the year goes to our class advisors.

Now that the stars and supporting actors have been chosen, the understudies, to complete this production, must not be forgotten.

At the beginning of the year, the Juniors and Seniors were confidently playing their roles, with our faithful freshmen constantly trying to keep up with the swift pace by participating in a variety of activities. These feats were, at times, very frustrating and seemed impossible.

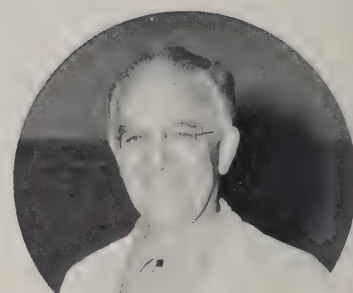

Remember that first week of our high school career at Tech? What about the mischievous Senior who directed us to the boys' gym when we asked the location of the girls' gym, and how we nearly crawled under the lockers when we suddenly realized we were not especially wanted in this vicinity of the tremendous building? We know this was just one of the many frustrating trials that came into the spotlight.

When, at last, the finishing touches are being put on our Freshman year at Tech, we pause and give a heavy sigh and scream, at the top of our lungs, "MAMMA MIA" to relieve the tension built up through our exhausting performances, which we attempted through thick and thin. This is the time when we climb one more step in our career and become more important. When we look back at the past, it seems we have gone through so much frustration, but take a look into the future and see what's about to come!

It is not long before everyone who comes to Tech is taken up by the Tech Spirit and becomes part of the Tech Spectacular. There is something for everyone here at Tech; your first activity was probably the S.A.

For the male members of the cast there is Student and Corridor Patrol, Hi-Y, Rifle Club, and Chess Team, to name a few of the more popular ones. For the musically talented, there is the Boys' Chorus and the octet.

For the girls we have the G.A.A., Nisi, Girls' Chorus, sextet, plus many others.

Those who like to write can develop their talents on the Tech News or Tech Tiger Staff.

If you are good at numbers you can join the Math Club or Engineering Club.

Good at languages? Join the French or German clubs.

From the many activities available at Tech, you have the opportunity to choose your own and thereby become part of the Tech High production.

Christmas Concert

Tech's annual Christmas Concert was presented to a capacity crowd of parents, students, and teachers on December 20.

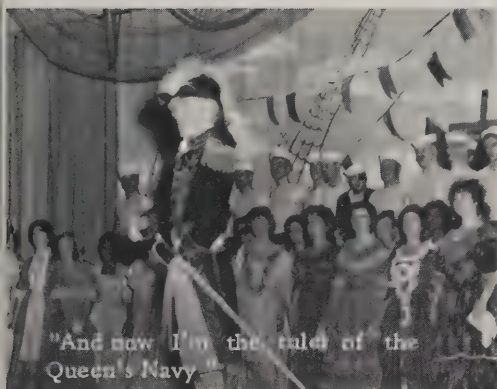

The Concert Band, under the direction of Mr. Warren Myers, played, among others, "March of the Toys," "Sleigh Ride," and "A Christmas Festival," a Boston Pops' arrangement.

Mr. Richard Keggereis of the music department led the Freshman Chorus in "Let Carols Ring" and the Girls' Chorus in "He Shall Feed His Flock." "First Noel" and "Lo, How a Rose" by the Boys' Chorus and "Carol of the Bell" and "Carol of the Drum" by the Concert Choir were also presented. A mass-choral group provided the finale.

Spring Concert

Mr. Myers

In last year's Spring Concert the Chorale presented Gilbert and Sullivan's "H.M.S. Pinafore" with Nancy Nash, Don Seidell and Bob Peck in the lead roles. This very fine musical group provided a most amusing and enjoyable evening.

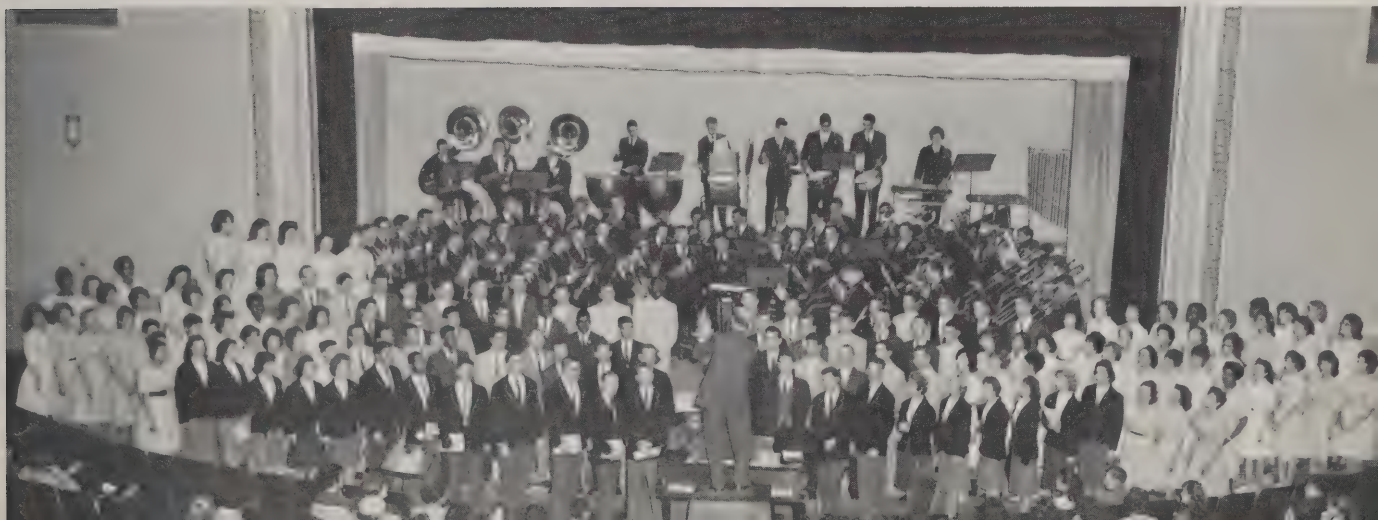

Keeping up the tradition as fine musical groups, the combined choruses and band presented selections from "Brigadoon" by Lerner and Loewe followed by Sousa's "Semper Fidelis" played by the band. The talented Concert Choir exhibited its finest singing a medley including selections from "All Breathing Life" by J. S. Bach to "Waltzing Matilda" by Paterson and Cowan. The band

really outdid itself playing such lively tunes as "Sabre Dance" by Khachaturian, "Bolero" by Ravel, "Bugler's Holiday" by Anderson featuring Bob Armada, Ned Czahara, and Barry Heath, and, as a final selection, two very difficult movements from "Pictures at an Exhibition" by Mussorgsky.

A well deserved thank-you goes to both Mr. Myers and Mr. Kegerreis for their tireless efforts in presenting such a fine musical evening.

Mr. Kegerreis

Science

Roy Cannon

Libby Yeskenas

On March 17 and 18, the seventh annual Science Fair was held at Tech, under the direction of Mr. Charles Allen. There were four competitive sections: chemistry, electronics, life sciences, and physics; mathematics projects from the Math Fair were exhibited but not judged. Among the 142 projects entered, 30 won prizes of various kinds.

In the chemistry section, Wayne Butler took first prize, Gerald Daugherty won second prize, and Donald Haynes took third prize. Wayne Butler went on to the Springfield Fair where he copped the first prize in chemistry. He then went to the Regional Fair in Amherst, winning fifth prize and fifty dollars. In the State Fair at Boston he won second prize.

In the electronics division, Peter Fredette won first prize, Andy Clapp took second prize, and David Kos won the third prize. Peter Fredette went to the Regional Fair and won eighty dollars. He then went to the State Fair at Boston and took second prize. Andy Clapp became eligible to attend the New England Fair on May 6, at Portland, Maine, by

placing first at the Springfield Fair in the physics section. He also won the Kiwanis Award and an additional twenty-five dollars at the Springfield Fair. Andy won a forty dollar prize at the Regional Fair in Amherst, and a second place in the State Fair in Boston.

The life sciences were also among the catagories presented at the Tech Fair. Libby Yesikenas won the first prize, Roy Cannon took the second prize, and Robert Parker placed third. Libby went to the Springfield Fair and won second place, and then went on to the Regional Fair at Amherst and won second place plus seventy-five dollars. She also won a fifty dollar scholarship. At the Boston Fair, she once again placed second. Roy Cannon placed first in the Springfield Fair and also qualified for the National Science Fair in Kansas City, Missouri. His outstanding exhibit rated third at the Regional Fair in Amherst and second in the Boston State Fair.

James Sharrard won first prize in the Physics group, with Dan Wesson placing second, and Bruce Baumann taking third place. Dan Wesson placed third in the Springfield and third again in the Boston State Fair.

Danny Diamond, Douglas Brothers, Dave Nicoli, and Dick Bater showed math projects. Douglas Brothers took his project to the Boston State Fair and won second place.

All in all, the representation from Tech was large in quantity as well as in quality.

Peter Fredette

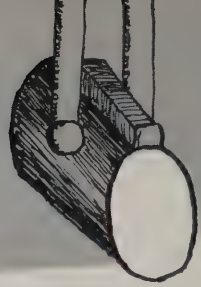

Assemblies

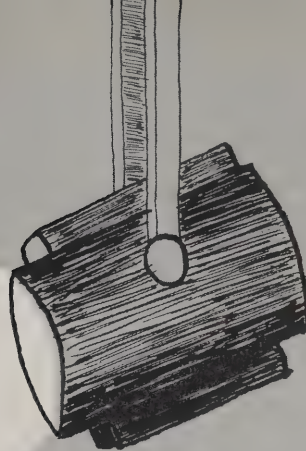

Rallies

The directors, stars, supporting actors, and understudies are all ready and eager; they are given the chance to use some of their excess energy on location . . . in sports.

The cries, "Hold them back" and "Let's go, Tiger" have cheered many a deserving and industrious Tech team on to victory. No matter if we win or lose, we showed the quality Tech has always been known for--spirit. In the fall the rugged football and soccer teams are on location. Then, as the snow begins to fall, the scene changes to basketball, hockey, bowling, wrestling, and swimming. Spring brings baseball, tennis, golf, and crew to the field.

We extend our heartiest congratulations to all the boys who have participated in these sports and certainly to their capable and energetic coaches, for continuing to demonstrate a high quality of sportsmanship and that Tech spirit.

The props, which have been supplied by numerous businessmen and merchants in the Springfield area, have helped to make our production a success. Without the generous support of these contributors our yearbook would not be possible. Our patronage of the establishments listed on the following pages will give each of us a chance to show our appreciation for their enthusiastic support.

Insuring Peace of Mind

Many thoughtful persons make their wills, arrange pensions, annuities, and set up insurance programs in advance of need.

May we suggest it is also wise to pre-arrange funeral services.

A personal call at the Dickinson-Streeter office is treated in strictest confidence.

All questions about funeral requirements are answered; and, if advisable, complete arrangements can be made before the need arises.

Under Supervision of the
SPRINGFIELD INSTITUTION FOR SAVINGS
A Mutual Savings Bank

During the school year, the TIGER SAVINGS BANK, a Junior Achievement Company, has given Technical High School students the opportunity to save ahead for the things they needed and wanted.

But the need for savings does not end with graduation. How you handle your money will play a significant role in your future. If you save wisely, you'll find that you will achieve the important goals in your life. And when you save, your money will grow, not only through regular deposits, but also through addition of generous dividends compounded twice a year.

Make this important decision now--that you will save regularly. Tiger bank books may always be used at any S.I.S. office, or we will be glad to open a new account for you if you have none.

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
